Updates from TE Central

Daily Digest Anyone?

The new TELO system was originally designed to send Daily Digest emails to the Primary and Secondary TELOs only but, we heard from many of you, that it would be helpful for other system users to receive these emails as well (ex.-Human Resources reviews Exports and Admissions reviews new Imports but those individuals are not the TELOs). We are happy to share that now, the Primary TELO can click on *Users* in the TELO system, click *Update User* and check off the *Daily Digest Receive Email* field to have DD emails sent to any other additional Users, starting the next day!

TE Launches New College Search Platform

Tuition Exchange has partnered with Carnegie/CollegeXpress to launch a new college search platform that includes ALL TE schools. Families will soon be able to find TE schools that meet their criteria and ask to be contacted by those schools. The college search platform will live on the new TE website (which will still be tuitionexchange.org), launching sometime in March. All TE member schools will be included in the search platform at no additional charge. This new functionality will make it easier for students to focus on member schools *and* it will allow TE member schools to identify TE prospects early in the college search process!
As an added feature on the new site, students can

Review for TE-GO Before It's TE-GONE!

Just a reminder--TE-GO Award nominations are due by **Friday, February 28th**. TE-GO provides a **\$2,500 annual award** for up to four years while a student remains enrolled as an undergraduate student - a potential total award of \$10,000 (paid by Tuition Exchange). A maximum of five, new TE-GO awards are available for the upcoming 2025-2026 academic year. The TE-GO award is an add-on to the TE Scholarship and may be utilized for tuition or non-tuition items associated with the student's cost of attendance. **Export institutions** are invited to **nominate two**, new, first-time 2025-2026 TE scholars by submitting the online **TE-GO Nomination Form** by **Friday, February 28, 2025**. Export nominations are limited to two per school. The Export student(s) nominated must have an **SAI** (Student Aid Index) from the 2025-2026 FAFSA (Free Application for Federal Student Aid) no greater than **25,000**.

Spring into Action!

While the January 30th deadline to complete your spring Enrollment Report review may have come and gone, it's not too late to spring into action and complete your spring semester enrollment review before participation fee invoices generate on February 16th! Similar to the fall, be sure to review your current Exports (or ask your HR colleagues to!) to ensure all remain eligible. Similarly, review your continuing Imports to ensure they have returned, and update the Import Status for any new, entering spring 2025 students receiving TE, to *Enrolled*. Be sure to save a copy of your Enrollment Report each semester for your records.

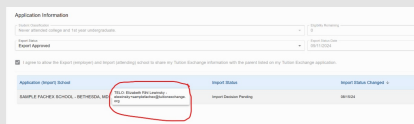

Unsure of how to complete these steps? Watch one of the recordings from our January Spring Enrollment Review webinars!

TELO Tip of the Month

Did You Know...

That when you are working on your Export or Import applications, you can hover over the name of the other school to see their TELO's name and email address should you need to contact them?

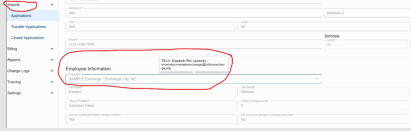

Happy Ending?

At TE Central, there's only one thing we love more than a good rom-com happy ending and that's a TE happy ending! Have any noteworthy TE stories to showcase from your campus, perhaps a family or student that had a great TE win (past or present)? Maybe it's even your own story! We are in search of great TE testimonials to hi-lite on our upcoming new website, in publications or even perhaps showcase in the Parent Perspectives panel during our upcoming TE Family Spring Webinar Series (stay tuned!). If you or a faculty/staff member/student at your school fits the bill, please complete/share this **short testimonial form** to have their TE story showcased.

You Say Potato, I Say Potahto...

In addition to ("Why is my school grayed out on the TE EZ-Application school drop-down"--hint: check your Export and Import application deadlines in your *Annual Aid Year School Information* in the TELO system), one of the other most frequently asked questions these days at TE Central is: What's the difference between *Import Decision Pending* and *Under Review*? The answer? Nothing! Both Import statuses indicate your school is not ready to make a decision on the application yet. Some schools

are choosing to use *Under Review* as a substitute for *Waitlist* since this status is no longer an option in the new system.

Need an introduction to or just a refresher on the new TELO system, have a specific question or interested in learning more tips like this? Join us any second Tuesday of each month in 2025 for a **TELO Tuesdays at 2:00** session. **Register Today!**

Thank You! Thank You! Thank You!

Many thanks to the almost 250 TE and FACHEX member schools that submitted photos and logos by the December 13th deadline for TE Central to feature on our new website, in TE publications, etc. While we are no longer accepting submissions, we may put out another call in the future for those that were unable to submit items in the fall!
