

The TE Tickler |September 2026

2 New Ways to Attract TE Prospects!

TE Central is pleased to announce two new opt-in programs designed to help TE-eligible families.

TE Exchange Fee Waiver Program

To help families take full advantage of their TE eligibility, we will publish a list of member schools that waive application fees for TE candidates seeking to enroll for Fall 2027 or Spring 2028.

Tuition Exchange Greenlight Designation

The TE Greenlight Designation allows families to identify schools that offer TE awards to admissible candidates. Participating schools agree to offer TE awards to admissible candidates seeking to enroll for Fall 2027 or Spring 2028.

The admissions contacts at TE member schools will soon be emailed about these two options and will be provided with an online form to submit by **September 30th** if the school would like to participate in *either* or both programs. The two lists of participating institutions will be published on the TE school search site in early October.

Welcome to Our Newest TE Member Schools!

Welcome to the following schools that joined The Tuition Exchange in the month of August:

- Hesston College (KS)
- Vermont Law & Graduate School (VT)
- United Theological Seminary of the Twin Cities (MN)

The Clock is Ticking...

Just a reminder that TE Fall Enrollment Reviews must be completed by **September 30th**. Please follow these **four simple steps** to complete your enrollment review:

1. Review all **Export Approved Exports** to confirm they remain eligible according to your school's TE policy.
2. Review all **CONTINUING Imports** to confirm their fall enrollment. Update any no longer enrolled to the correct Import status.
3. Review and update all **NEW Fall 2026 entering Imports** (2026-2027 cohort year students). Update to *Enrolled* Import status if they are attending your school. **If they are not attending, please update their Import status to the appropriate status.**
4. Go to *Reports, Enrollment*, **check the box/enter the date** to confirm your 2026-2027 Fall Enrollment Review is complete and download your Enrollment Report for your records.

Please note - until all schools enroll their students, some of your 26-27 Exports may not appear on your Enrollment Report but you can still confirm that your review has been completed. Enrollment Reports are fluid and do not get locked/frozen.

Have New TELO System Users?

Please email info@tuitionexchange.org or complete a **TELO Help Request Form** if you add a new User in the TELO system so we can provide them with information to complete system training before they attempt to log in. They can also register for a **TELO Tuesdays at 2:00** session to fulfill their training requirement.

Once they view the training videos or attend a live training webinar, they should email info@tuitionexchange.org so we can update their training flag accordingly and enable system access.

TELO Tip of the Month

Did You Know...

If there are specific instructions, additional contacts beyond the Primary TELO, or special nuances related to the TE awarding process at your institution that you would like students/families to be aware of - yet there just does not seem to be an appropriate field on the *Annual Aid Year School Information* view in the TELO system to capture this information - that you can simply list it in the *Overview* box on your *School Profile*? By doing so, it will appear on your school's public scholarship profile page, accessible via the **TE School List** or **TE School Search**!

Join Us for TELO Tuesdays@2:00

Are you a new TELO? Do you need an introduction to or just a refresher on the TELO system? Have a specific TE situation you need guidance on, or are you just interested in learning more TELO tips? Join us any second Tuesday of each month for a **TELO Tuesdays@2:00** session. **Register Today!**

Lastly, it is not too late to register to attend our final Fall Enrollment Review TELO Training webinar on **September 17th at 2:00 p.m. EST.**
